

*Our Sicilian Table: Preparing our Sunday Pasta Sauce (Sugo)  
Our Sugo is prepared daily by simmering for hours with Delicious Pork Neck Bones. Popular in Traditional Sicilian households which serve this Sugo on a Sunday afternoon over spaghetti, or any other pasta you can think of. Neck Bone Sugo, like many Italian "gravies" gets it's flavor from hours of cooking and stirring. Not to mention the love that goes into every pot. This will always bring back a lot of memories as family gathers around the table for some great conversations which usually involves everyone talking at the same time as they eat "Pasta with the Sugo"*
